**Application Guide**

24 - Volt  
 Spool Mount  
 Spindle Mount  
 2" Foot

**Model**  
**KSP135E2-24-K**

**Externally Regulated**  
 Part Number : K-ER24V-1

**Important Facts**

**New OEM Install Warranty : 2 Years or 100,000 Miles**  
**New Aftermarket Install Warranty : 1 Year or 100,000 Miles**

- **KEI** KSP135E2-24V-K model alternators have 12 positive and 6 negative diodes which will virtually eliminate diode failure.
- **KEI** stators are wound with heavy 11 gauge and dual 12 gauge wire, which eliminates stator failure.
- **KEI** rotors are balanced for increased bearing life.
- **KEI** uses NTN bearings with a large cartridge, high temperature Kyodo-Yushi grease, and double seals. This helps contribute to long bearing life.
- **KEI** regulators are epoxy coated to assure sealed protection and to stop moisture and vibration failure. All regulator wiring harnesses use GXL wire.
- **KEI** Accessory Kit Included (Bolts and Washers)
- **KEI** alternators are made in the U.S.A.

**Mission Statement**

KEI employees, with over 125 years of experience in designing, manufacturing and working with alternators, are passionate and dedicated to this industry .
